	IRA	Roth IRA	SEP IRA	SIMPLE IRA	Traditional 401(k)	Safe Harbor 401(k)
<b>Required Minimum Distributions (RMDs)</b>	RMDs must begin by April 1 of the year following the year in which the individual turns 73.*	None.	RMDs must begin by April 1 of the year following the year in which the individual turns 73.*	RMDs must begin by April 1 of the year following the year in which the individual turns 73.*	RMDs begin at age 72 or retirement, whichever is later, but 5% owners must start RMDs at age 73.*	RMDs begin at age 72 or retirement, whichever is later, but 5% owners must start RMDs at age 73.*
<b>Distributions</b>	Penalty-free distributions include reaching age 59½, death, permanent disability, higher-education expenses, first-time home purchase (with a \$10,000 lifetime limit), payment of health insurance for unemployed, payment of medical expenses (income thresholds may apply), and qualified childbirth or adoption expenses (up to \$5,000, additional conditions may apply).	Cost basis is distributed tax and penalty free. Earnings are tax- and penalty-free if Roth has been open for five years and client meets one of the following exceptions: reaching age 59½, death, disability, or first-time home purchase (\$10,000 lifetime limit). Earnings spent for higher education, payment of medical expenses (income thresholds may apply), and qualified childbirth or adoption expenses (up to \$5,000, additional conditions may apply) are penalty free but taxed. Distributions of Roth conversions are always tax free and are penalty free only if the conversion has aged five years or client meets one of the withdrawal exceptions.	Penalty-free distributions include reaching age 59½, death, permanent disability, higher-education expenses, first-time home purchase (with a \$10,000 lifetime limit), payment of health insurance for unemployed, payment of medical expenses (income thresholds may apply), and qualified childbirth or adoption expenses (up to \$5,000, additional conditions may apply).	Penalty-free distributions include reaching age 59½, death, permanent disability, higher-education expenses, first-time home purchase (with a \$10,000 lifetime limit), payment of health insurance for unemployed, payment of medical expenses (income thresholds may apply), and qualified childbirth or adoption expenses (up to \$5,000, additional conditions may apply). Additional penalties apply if one of the above exceptions is not met and distributions occur before the account has been funded for two years.	Penalty-free distributions include reaching the plan's normal retirement age, death, permanent disability, separation from service at age 55, reaching age 59 1/2, and qualified childbirth or adoption expenses (if allowed by employer, up to \$5,000, additional conditions may apply). Plan sponsors can offer additional penalty free distributions for participants affected by major disasters, terminal illness, personal emergency expenses, long-term care insurance and domestic abuse.	Penalty-free distributions include reaching the plan's normal retirement age, death, permanent disability, separation from service at age 55, reaching age 59 1/2, and qualified childbirth or adoption expenses (if allowed by employer, up to \$5,000, additional conditions may apply). Plan sponsors can offer additional penalty free distributions for participants affected by major disasters, terminal illness, personal emergency expenses, long-term care insurance and domestic abuse.
<b>Tax Treatment of Distributions</b>	Generally taxed as ordinary income (excluding nondeductible contributions).	Distributions tax free if they meet the criteria above.	Generally taxed as ordinary income.	Generally taxed as ordinary income.	Generally taxed as ordinary income.	Generally taxed as ordinary income.

## Additional Retirement Plan Options

	Individual 401(k)	Profit-Sharing Plan	403(b)	457(b)	Cash Balance Plan	Defined Benefit Plan
<b>Maximum Annual Contribution Limits</b>	Employees can defer 100% of taxable income up to \$22,500 (up to \$30,000 for employees age 50 and older). The employer contributions are limited to a maximum of 25% of compensation; for self-employed, it's based on a specific computation using IRS guidelines. Total employer/employee contributions cannot exceed \$66,000 (\$73,500 if employee is age 50 and older).	Contributions are limited to the lesser of 25% of W-2 compensation or \$66,000 (based on first \$330,000 of compensation); contributions are effectively limited to 20% of pay if self-employed.	Employees can defer 100% of taxable income up to \$22,500 (up to \$30,000 for employees age 50 and older). Total employer/employee contributions cannot exceed \$66,000 (\$73,500 for employees age 50 and older). An additional catch-up may apply.	Employees can defer 100% of taxable income up to \$22,500 (up to \$30,000 for employees age 50 and older). An additional catch-up may apply.	Contributions are dependent on participant's age and income (older employees generally receive higher contributions) and a formula that is specified in the plan document. It can be either a percentage of pay or a flat dollar amount. An annual interest credit is also included. The rate of return changes each year, but is guaranteed and independent of the plan's investment performance.	In general, the annual benefit for a participant under a defined benefit plan cannot exceed the lesser of 100% of the participant's average compensation for their highest three consecutive calendar years or \$265,000 for 2023. Actuarial assumptions and computations are required to calculate contributions.
<b>Deadline to Establish</b>	Plan must be established by tax-filing deadline plus extensions.	Plans must be established by tax-filing deadline plus extensions plan as having been adopted as of the last day of the taxable year.	Plan must be established by business's fiscal year-end, generally December 31.	N/A	Plans must be established by tax-filing deadline plus extensions day of the taxable year.	Plans must be established by tax-filing deadline plus extensions day of the taxable year.

	Individual 401(k)	Profit-Sharing Plan	403(b)	457(b)	Cash Balance Plan	Defined Benefit Plan
<b>Deadline to Contribute</b>	Employer contributions by employer's tax-filing date, including extension period (if filed for); salary deferrals as soon as administratively possible, but no later than the employer's tax filing deadline, including extension period (if filed for).	Employer's tax-filing date, including extension period (if filed for).	Employer contributions by employer's tax-filing date, including extension period (if filed for); salary deferrals as soon as possible, but no later than the 15th of the month following the month in which they were deferred.	Employee contributions withheld each pay period and deposited no later than seven days into the plan.	For sole proprietorships and C corporations, April 15 (October 15 if extension filed); for partnerships and S corporations, March 15 (September 15 if extension filed).	Generally, quarterly installment payments of the minimum funding required contributions must be made. The due dates for the installments are 15 days after the end of each quarter. For a calendar-year plan, the installments are due April 15, July 15, October 15, and January 15 (of the following year). Additional contributions required to satisfy the minimum funding requirement for a plan year will be considered timely if made by 8½ months after the end of that year.
<b>Eligibility Requirements</b>	Only the business owner and their spouse or partner are eligible; only businesses that include those two individuals may participate in the plan.	Varies by plan, but, in general, employers must allow employees who have reached age 21 and who have completed one year of service to participate.	Employer must provide universal availability to all employees; employer may exclude employees who participate in a governmental 457(b) plan, are nonresident aliens, or normally work fewer than 20 hours/week if the employer expects the employee to work less than 1,000 hours in a 12-month period and in subsequent 12-month periods.	Employees or independent contractors with earned compensation from an eligible employer; employer may choose to offer plan to highly compensated employees or to other particular groups of employees.	Varies by plan.	Varies by plan, but, in general, employers must allow employees who have reached age 21 and who have completed one year of service to participate.
