## **We Care!**

**How are you doing? We would like to hear from you. We know these are challenging times and we are right here with you.**

**COVID19 has been very disruptive to the Market, I'm continuing to monitor your accounts and portfolios. I am acting with your plan in mind and reaching out directly as needed. We're practicing social distancing and taking advantage of technology as best we can. My staff will be working primarily remotely, I expect to be in the office daily.**
