U.S. Travel Bargain:
NPS Senior Lifetime Pass
Are You 62+ Years of Age?

Presented by Nancy J. LaPointe

Love the outdoors? Traveling? One of the best travel bargains around is the National Parks and Federal Recreational Lands Pass - Senior Pass (for those 62 years of age or more).

Have you turned 62? You qualify! The Senior Pass is a one-time purchase for a lifetime of recreational fun. The Interagency Senior Pass now has a one-time fee of \$80 (lifetime), or \$20 for just *annual* senior passes.

The Interagency Senior Pass provides entrance to over 2,000 recreation sites across the U.S. managed by SIX different agencies*. You can find a list of recreation sites that accept the Interagency Senior Pass here: [Federal Recreation Areas where Interagency Passes are accepted](#). These locations can also sell you the passes.

Live near Olympia? Make your purchase at the Olympic National Forest Supervisor's Office at 1835 Black Lake Boulevard SW. It may be a good idea to call them at 360-956-2402 to assure they have passes available.

The pass can also be purchased online but expect to pay a processing fee of \$10. The USGS Store handles all online sales, but oddly enough - passes are not for sale at any USGS field office). Find the USGS store at: <https://store.usgs.gov/senior-pass>.

Find the online application form and more information at <https://store.usgs.gov/senior-pass>.

***The six Federal agencies that participate in the Pass program:**

- Bureau of Land Management
- Bureau of Reclamation
- Fish and Wildlife Service
- USDA Forest Service
- National Park Service
- U.S. Army Corps of Engineers

Our National Parks are one of our greatest treasures, as are our seniors; Enjoy the gift of nature by obtaining and using the Interagency Senior Pass.
